

Overview of Autosomal Dominant Polycystic Kidney Disease (ADPKD)

Please join us for a free webinar, led by PKD experts from across the country, where you can hear the most current information on ADPKD pathophysiology, disease progression, and the physical & emotional burden of ADPKD.

Objectives:

- Review of the recent advancements made in the ADPKD field
- Address key factors that play into ADPKD disease progression
- Highlight and evaluate prognostic indicators of advanced ADPKD outcomes

Tuesday, September 24 th , 2019		9pm ET 6pm PT		Neera Dahl, MD & Frederic Rahbari, MD
Wednesday, September 25 th , 2019		10pm ET 7pm PT		Arlene Chapman, MD & Neera Dahl, MD
